

INDUSTRY ACADEMIA CONCLAVE (4.0)

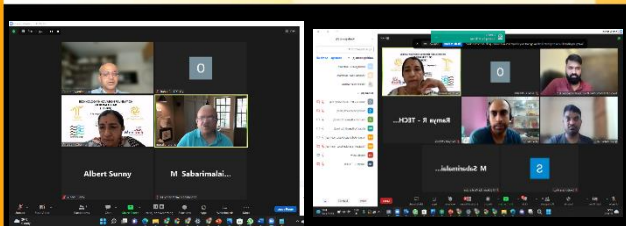

At the fourth edition of the Industry Academia Conclave (IAC 4.0) of IIT Palakkad wherein the delegates from the industry and academia participated, TECHIN arranged showcasing of innovative prototypes by incubatees and they received valuable guidance, inputs and a multitude of questions from the esteemed visitors! The interaction provided a fresh perspective and opened doors for fine tuning of the ideas, prototype and business model and sowed the seeds of collaboration with some of the delegates to explore them as customers.

Incubatees presented their prototypes and received valuable guidance from the esteemed gathering at IAC 4.0
