

On 19th Sep 2022, TECHIN of IIT Palakkad signed a MOU with GEC Wayanad

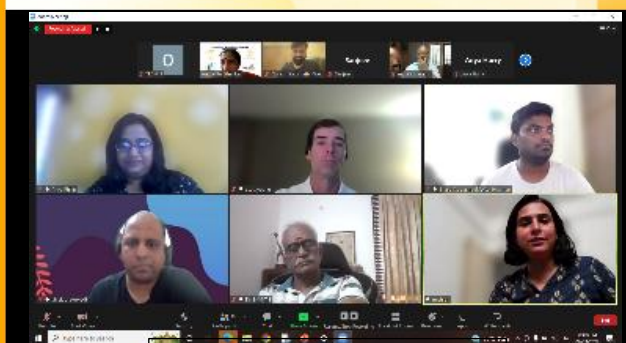

“AVSAR” Multi-Domain workshops and pitching

A workshop cum pitching event is being conducted from October 2022 through January 2023, encompassing multiple domains. The Interactive Workshop will consist of Business and Technical workshops. The Business aspects will help to polish the candidate teams’ Business model canvas and ascertain the initial customer segment, value and market for the solution. The second component of the workshop will be technical brainstorming sessions to help participants identify the problem/need and define their problem statements. Technical and Business mentoring to hone the participants’ skills.
